# Dominic Makana Ocharo

Telecommunications Engineer | Data Analyst | Data Scientist  
Nairobi, Nairobi County, Kenya

## Summary

I am a Telecommunications Engineer with expertise in Data Science, Data Analysis, Power App development, and Networking. I hold a Bachelor's degree in Telecommunications and Information Engineering from JKUAT and have over two years of practical experience in the field. My proficiency includes data analytics using SQL, Tableau, Power BI, and Python. Previous roles at Imani Radio and Television Ministries, Gearbox Academy, and Pavicon Kenya Limited have enhanced my collaborative and project management skills, particularly in machine learning projects such as Plant Disease Detection and Facial Recognition. I am certified as a Microsoft Power Platform Developer Associate and Azure Data Scientist Associate, reflecting my commitment to continuous learning and professional development. With a solid foundation in telecommunications and a track record in data analytics, I am ready to contribute to innovative projects in the tech industry.

## Experience

### Pavicon Technologies

Data Scientist

May 2024 – Present (1 year and 5 months)

Nairobi County, Kenya

Developed AI models for automating workplace tasks and integrated them into company systems.

### Gearbox Academy

Machine Learning Intern

January 2023 – April 2023 (4 months)

Nairobi County, Kenya

Collaborated on projects including Plant Disease Detection and Face Recognition using platforms like NVIDIA Jetson Nano.

### Imani Radio and Television Ministries

Technical Operator and Electrician Intern

January 2022 – April 2022 (4 months)

Trans-Nzoia County, Kenya

Managed studio setup, television servers, and electrical maintenance.
